

IN THE COURT OF COMMON PLEAS, ASHLAND COUNTY, OHIO
PROBATE DIVISION

IN THE MATTER OF THE GUARDIANSHIP OF:

Case No. _____

Ward.

APPLICATION FOR ATTORNEY FEES POST-INVENTORY

Attorney fees for services in obtaining letters of guardianship including the filing of bond and preparing and filing inventory shall be allowed according to time and effort described in a written fee application and to the extent thereafter allowed by Judgment Entry of the Probate Court. For all services thereafter during the accounting period, use the calculation below.

In accordance with the policy of the Court with regard to attorney fees in a guardianship, the undersigned hereby requests that the Court approve the following fees as fair compensation to the attorney for ordinary services to the case:

	Percentage:	Amount:	Attorney Fee:
	3% of total of all Income and Expenditures during the accounting period		

I have checked the mathematical accuracy of the above computation of attorney fees and I request that the Court approve the payment of those fees.

I have read and understand the above computation of attorney fees and submit that they are necessary and reasonable for the administration of the guardianship for which I am the fiduciary. I therefore request the Court's approval of payment of those fees from the assets of the guardianship.
